Hospitality Resolution – October 2013*

Resolved, the 22nd day of October, 2013:

Whereas the membership of MAACBA gathered in Baltimore, Maryland for the 63rd annual meeting of MAACBA; and

Whereas Dean Elmore Alexander and assorted friends assembled a program of significant interest and educational content; and

Whereas Rich Sorensen attended his 403rd annual regional deans meeting; and

Whereas Dean Shohreh Kaynama and her Towson University colleagues provided excellent accommodations, hospitality and libations for the assembled members; and

Whereas the Executive Committee of MAACBA endured a year of exotic accents of both President and immediate Past President, with no two members of the EC pronouncing their names the same way (how do you say Derya and Shohreh anyhow?); and

Whereas we all now know about the world of spice, the passion for flavor and weird art.

Therefore, be it resolved that the members of MAACBA express their sincere thanks and gratitude to Dean Shohreh Kaynama and her most able and helpful staff for their gracious hospitality and flawless execution of the 63rd MAACBA Annual Meeting.
